DIARY NOTES

Executive Director-Comptroller

10 December 1965

1. Bill Thomas of the Bureau of the Budget called to say that my appointment with Charlie Schultze on Tuesday, 14 December, had been changed to 12:45 p.m. Charlie will get in touch with me to confirm this time. I gathered from talking with Bill that he is prepared to make some concessions as a result of our reclama. However, he seemed uncertain about whether Charlie will go along with this and whether he should tell me or wait for Charlie to tell either me or the Director.

25X1 2. I asked [] the DCI Duty Officer this weekend, to make an inspection of the Operations Center sometime during either Saturday or Sunday evening. I emphasized that this should be done under the pretense of being interested in something which is going on to avoid its appearing to be an IG-type inspection. I asked [] to report to me on Monday, 13 December, so that I could pass his findings to the Director.

3. I lunched with the Director and talked with him about the budget. I gave him a sizeable book which I suggested he review over the weekend. We agreed to meet at 2 p.m. on Monday, 13 December, to prepare him for his meeting with Charlie Schultze on Wednesday, 15 December. It is possible that another meeting will be necessary on Tuesday afternoon following my meeting with Charlie earlier that day.
